### **2009 CABERNET SAUVIGNON – NAPA VALLEY**

Our first bottling. Cabernet Sauvignon at its finest from a great expressive vintage, this 100% varietal combines the firm character of mountain-grown fruit with the more lush and supple fruit grown in warmer conditions at lower elevations.

Well-defined aromas and flavors of ripe cherry, Logan berry and vanilla flood the palate. Full bodied but carefully balanced, each taste lingers on and on with seamless texture in a very long finish.
