VINEYARDS

2014 White Wine

Napa Valley

This is a classic white Châteauneuf blend with 50% Grenache Blanc, 45% Roussanne and 5% Marsanne. It is vinified in stainless steel, settled, clarified and bottled young and crisp. The wine is then bottled aged for 18 months before release. There are no oak barrels and no malolactic fermentation. The resulting wine is crisp and delicate and focused entirely on the character of the fruit.
