VINEYARDS

2022 Chardonnay

Napa Valley

Beautiful aromatic medley of peach, honeysuckle and green apple character. Natural acidity is abundant, fresh and crisp and perfectly balances a wonderfully flavorful body on the palate. The finish is fresh and long and beckons another taste. This non-malolactic, and minimally oaked (5%) white wine is reminiscent of Chardonnay that is produced in the Chablis and Macon regions of France.

A large, faint pink dragon watermark is visible in the background of the text area, positioned behind the descriptive paragraph.
