VINEYARDS

2021 CHARDONNAY

This un-oaked Chardonnay presents enticing aromas of fruit salad with the character of banana and peach and hints of honeysuckle and jasmine flowers. The acidity is bright and carries the fruit across the palate. The balance of this non-malolactic white wine is reminiscent of Chardonnays produced in the Chablis and Maconnaise regions of France, and will continue to evolve for many years to come.

Our inaugural 2018 vintage was so popular, we doubled production for 2019, had to skip 2020, but are back with this single-vineyard offering.
