## 2019 Kelly's Cuvée

### *Napa Valley*

This 100% single-vineyard Syrah is grown in the river-bottom gravel soil of the Solari Vineyard in Calistoga, which allows the it to develop very dark pigments and highly extractable black fruit flavors, aromas and textures while retaining a perfect acid balance. Aged in entirely neutral French oak barrels. While drinkable in its youth, this bottling will continue to evolve gracefully.
