### 2017 Kelly's Cuvée

#### *Napa Valley*

Rooted in old river-bottom soil at the base of Mount St Helena, this vineyard consistently produces a wonderfully extracted and thoroughly ripe Syrah wine. Delicious red berry fruit character, with just a trace of vanilla on the mid-palate show in utter drinkability. Soft fruit, silky tannin and a mouthwatering finish make this one hard to put down. *(175 cases produced)*
