

NIEDELDIEKE

2018 CABERNET SAUVIGNON

The *Ne Del De Kay*, a distinguished class of individuals whose quality of character makes marked contributions to the brotherhood of man. You may chance to meet them...

Ripe red and black cherry-like fruit couple with superbly integrated insinuations of coffee and cedar. The ripe flavors are framed in perfectly balanced acidity and gentle tannins. This 100% Cabernet Sauvignon received three years of cellaring in French oak barrels before being bottled with a wink and a nod.

The NIEDELDIEKE Cabernet Sauvignon is a hand-crafted, limited-production wine grown in the rocky regions of Calistoga in the Napa Valley. Its expression and strength of character are tributes to the deserving. Enjoy!
