VINEYARDS

2014 Cabernet Sauvignon

Kelly's Mountain Cuvée

Atlas Peak fruit. Firm acidity, small berries, and soft tannins. On the nose, there's black fruit, black berry, black current – screaming with ripeness. Full-bodied on the palate, with a rich mid-palate, fine tannins, and smooth finish, which, with the wine's natural acidity, goes on and on and on. This offering is a beautiful example of one of the most successful Cabernets born in high elevation.
