### 2018 Cabernet Sauvignon

#### *Napa Valley*

Our 100% Napa Valley 'purple label' Cabernet Sauvignon introduces red and black cherries and fruit that open in the aroma. Flavors seem to explode across the palate, which are lifted by the natural mountain fruit acidity. These characters dance across the palate where tannins gently tantalize the middle yet leave no angularity in the long, seemingly sculpted finish. [94+ *Jeb Dunnuck*]
